

A
STATISTICAL ACCOUNT
OF THE
SEVEN COLONIES OF AUSTRALASIA,

BY

T. A. COGHLAN,
GOVERNMENT STATISTICIAN OF NEW SOUTH WALES.

WITH MAP AND DIAGRAMS.

Sydney:

CHARLES POTTER, GOVERNMENT PRINTER.
E. A. PETHERICK & CO., GEORGE-STREET, AND AT MELBOURNE, ADELAIDE, AND LONDON.

1892.

PREFACE.

THE information contained in former issues of this work has been revised and brought down to the most recent date. Additional chapters on the Australasian land systems and the accumulation of wealth in the various provinces have been added, and the text is further illustrated by a considerable number of diagrams and a map showing the mean annual rainfall.

Every care has been taken to ensure accuracy, the figures and other details being taken in most instances from the latest published official record of the Colony dealt with.

CONTENTS.

	Page.
