ABOUT THIS PUBLICATION

This publication is issued each month as a supplement to the annual *Catalogue of Publications and Products* (Cat. no. 1101.0), which lists current Australian Bureau of Statistics (ABS) publications and products and gives brief descriptions (abstracts) of their contents.

A brief description of the contents of, changes to, and other information of interest about new publications and products appears at the back of this publication.

In addition, a *Release Advice* (Cat. no. 1105.0) is issued each Tuesday and Friday listing publications and products released on the day of issue and expected releases on the following four days. The information is also available daily on the ABS Internet service (<http://www.abs.gov.au>).

PUBLICATION PRICES

Prices include postage both within Australia and overseas.

SUBSCRIPTION SERVICE

Clients who wish to receive publications and products on a regular basis may use the ABS Subscription Service. Clients who already use this service and who wish to change their requirements should quote their client identification number when contacting the ABS. The number is shown at the top left hand corner of the address label used to dispatch publications to clients.

When due, renewal notices are sent to all subscribers. Payments are required in advance and should accompany renewal notices returned to the ABS.

NEW PUBLICATIONS RELEASED DURING MARCH 2000

- 3237.2 *Population Mobility, Victoria, 1999*
- (\$17.50) Provides data on characteristics of people moving to and within Victoria in the last 3 years and the factors influencing their movements. Also provides information on the most recent move, including current and previous place of residence; main reason for moving; main reason for choosing current location; main reason for choosing current dwelling; current dwelling type and current nature of occupancy. Presents information on moves planned within the next 3 years, including main reason likely to move; where likely to move and likely nature of occupancy.
- 1362.8 *Regional Statistics, Australian Capital Territory, 2000*
- (\$22.00) Contains summary information relating to area, population, dwellings, household income, births, deaths, infant deaths, natural increase, building activity, labour market, motor vehicles, retail trade, business register counts of location by industry division, tourist accommodation, road traffic accidents, preschools and schools for Statistical Subdivisions (town-centre districts), and Statistical Local Areas (suburbs) of Canberra and Queanbeyan.
- 5517.0 *Information Paper: Accruals-Based Government Finance Statistics, 2000*
- (\$10.00) Aids users of government finance statistics (GFS) to understand the changed nature and presentation of the information in the first accrual-based GFS expected to be released in Government Financial Estimates (5501.0) in 2000. This paper describes the conceptual changes and revised table formats which will be introduced when the recording basis of GFS is changed from a predominantly cash to an accrual basis.
- 6293.0.00.005 *Occasional Paper: Labour Market Outcomes of Low Paid Adult Workers, 1997*
- (\$22.00). This study examines the incidence of low pay, earnings mobility and transition patterns of low paid adult wage and salary earners. A feature of the paper is that it examines how recent joblessness impacts on the subsequent labour market transitions of these people.
