ABOUT THIS PUBLICATION

South Australian Economic Indicators is a monthly publication which contains the latest available data at the time of preparation for a range of statistical series that have been identified as indicators of economic activity in this State. In a number of cases the figures presented are preliminary and subject to revision in subsequent issues.

CHANGES IN THIS ISSUE

Commencing with this issue, the New Motor Vehicle Registration data have been replaced by New Motor Vehicle Sales data, provided by the Federal Chamber of Automotive Industries and sourced from VFACTS (Vehicle facts). More detailed information concerning the introduction of sales data and the future role of the ABS in vehicle statistics is contained in *Information Paper: Developments in New Motor Vehicle Statistics* (Cat. no. 9313.0), available from the ABS website (www.abs.gov.au) or by contacting the ABS National Information and Referral Service.
