Where such consent is sought the Commonwealth reserves the right to set an appropriate charge or to require a revenue sharing arrangement.

The Client is permitted to quote an insubstantial part of the statistical data contained in the products (whether or not copyright subsists in the products), providing that:

- an 'insubstantial part' means a 'fair dealing' as defined in Sections 40, 41, 42 and 43 of the *Copyright Act 1968*;

This authorisation does not permit the client to reproduce this data or software other than for the purposes of this personal or internal use.

In these Conditions, 'commercialise' in respect of a product or a derivative of that product, means to manufacture, sell, distribute, hire or otherwise exploit a product or process, or to provide a service incorporating the product or any other product or service derived from that product, or to license a third party to do any of those things.

GOODS AND SERVICES TAX

The price includes Goods and Services Tax (GST) for that part of the supply made by the ABS to the Client under this Agreement which is a taxable supply as determined under *A New Tax System (Goods and Services Tax) Act 1999* (GST Act).

In relation to taxable supplies made by ABS to the Client under this Agreement, the ABS agrees to issue the Client with either:

(a) a tax invoice in accordance with the GST Act; or

(b) a document satisfying the minimum information requirements to entitle the recipient of a taxable supply to claim an input tax credit without holding a tax invoice.

GENERAL

The Commonwealth gives no warranty, other than a warranty that may be implied by law, that the products are free from errors, are complete, have any particular quality, are suitable for any purpose or otherwise.

Subject to any warranty which may be implied by law, the Commonwealth's liability to the Client for any loss, damage or injury howsoever caused by the Commonwealth, whether due to negligence or otherwise, in relation to a product shall be limited to providing a replacement copy of that product.

The Client agrees to indemnify the Commonwealth (and its servants and agents) in respect of all liability for loss (including all legal costs) or liability from any claim, suit, demand, action or proceeding brought by any third person in connection with these Conditions of Sale or from a Client's use of the products.

These limitation of liability provisions shall survive the expiration or earlier termination of these Conditions of Sale.

This Agreement shall be construed in accordance with the law of the Australian Capital Territory and the parties submit to the jurisdiction of the courts in that Territory (including the federal courts).

Explanatory Notes

The figures in the tables were obtained from forms sent to all private hospitals in Australia. Two collection forms were used to collect the data: Form PHE1 for private acute and psychiatric hospitals and Form PHE2 for free-standing day hospital facilities. A copy of the relevant collection form is provided with the tables. The form contains definitions which may help you with the interpretation of the data in the tables

Please note that in each table title, a reference to the relevant question number on the collection form is given in brackets.

The associated publication, *Private Hospitals, Australia, 2000-2001* (Catalogue Number 4390.0), was released in September 2002. It contains less detailed data and can be obtained by contacting any ABS office. The price is \$22.00.

Please contact Andrew Cumpsty (1800 806 415) if you would like to find out more about the tables provided herewith or the associated publication.

In order to maintain confidentiality, it has been necessary to suppress one dimension of some tables. Thus either the State dissection or another component has been omitted.
