C Payments which will be partly refunded

- ✔ DO include payments which will be partly refunded by any person or organisation outside the household, e.g. a payment for a visit to the doctor and the health benefit refund for this visit.
- **DO NOT** include payments which will be <u>fully</u> refunded.

• If you do not know the actual amount to be refunded, an estimate will be sufficient.

D Goods and services obtained from or paid for by your employer

Record

- Any goods or services obtained from your employer for free or at a reduced price for use by you or your household, e.g. goods purchased with a staff discount card.
- Any goods or services paid for by your employer for use by you or your household.

Note

- Give an estimate of the price of these goods according to the price you would pay for them in a retail store or other outlet.
- Record details when the goods are received, not when they are used.

Payments which will be partly charged to your business or farm

▶ DO include payments partly charged to your business or farm for taxation purposes e.g. telephone or electricity bills. Show details of these payments and indicate the amount which will be charged to your farm or business.

DO NOT include payments which will be <u>fully</u> charged to your business or farm.
Note
If you do not know the actual amount to be charged, an estimate will be sufficient.

Goods and services obtained from your business or farm

(If your business is an incorporated company, record in D on page 24)

Record

- Any goods or services obtained from your business or farm for use by you or your household.
- ✓ DO include items obtained at a reduced price or for which you did not pay directly.

Note

- Give an estimate of the price of these goods according to the price you would pay for them in a retail store or other outlet.
- Give an estimate of the cost to your business or farm of acquiring or providing these goods or services.
- Record details when the goods are taken from the business or farm, not when they are used.
