Purpose of Collection

This survey will provide a nationwide picture of motor vehicle use which will be used in the allocation of Federal road funds; road planning, building and maintenance; and enhancing road safety and other activities.

Collection Authority

The information asked for is collected under the authority of the *Census and Statistics Act 1905*. Your co-operation is sought in completing and returning this form by the due date. The Act provides me with the power, if needed, to direct you to provide the information sought.

Confidentiality

Your completed form remains confidential to the Australian Bureau of Statistics.

Due Date

Please complete this form and return it in the reply paid envelope to the Australian Bureau of Statistics by

Help Available

If you have problems in completing this form, or feel that you may have difficulties meeting the due date, please contact the Australian Bureau of Statistics by:

- Do not use 'nil', 'n/a' or draw a line in the data entry boxes.
- If a mistake is made, cross out the incorrect answer and either write the answer in the remaining boxes or if not enough space is left, write next to the relevant item.
- You will need to report an estimate of time taken when you have completed this form.
- For questions other than those concerning the odometer, if exact figures are not available, please provide careful estimates.
- The items listed under ***Including*** and ***Excluding*** are examples and should not be taken as a complete list of items to be included or excluded.

Go to Question **31**

Section 2 – The odometer

8 Has the vehicle's odometer (the distance recording part of the speedometer) **been changed or replaced since 1 July 2011?**

Yes

☐

Go to Question 12

No

☐

9 Is the vehicle's odometer in working order?

Yes

☐

No

☐

Go to Question 12

10 Please record the vehicle's exact odometer reading

Note

- Report the exact odometer reading
e.g. report as 239033 and not **239000**.
- Report to the nearest kilometre or mile
e.g. report as 239033 and not **239033.5**.
- Report the odometer reading as close to 31 October 2011 as possible.
- Hubometer readings are acceptable.

km

or

miles

11 On what date did you make this odometer reading?

 / /

Section 3 – Distance travelled

12 What was the distance travelled by this vehicle during the period 1 July 2011 to 31 October 2011?

Note

- Report distance travelled during this period while you were the registered owner.
- Report in kilometres - to convert miles to kilometres, multiply miles by 1.6.
- Please refer to log books, service histories or personal records where possible.
- If exact figures are not available, please provide careful estimates.

Including

- Both off road and on road use

km

13 Please break up the distance reported in Question 12 into the distances travelled for the following purposes:

(a) Distance travelled to and from work

Including

- Travel between place of residence and place of work at the beginning and end of all working days, including travel to and from train/bus stations

 km

(b) Distance travelled for work purposes

Including

- Distance travelled for business, professional, farm or government purposes
- Distance travelled for hire or reward
- Distance travelled which is chargeable as a business expense
- Distance travelled for which an allowance was received

Excluding

- Travel to and from work and for personal use

 km

(c) Distance travelled for personal and other use

Including

- Distance travelled other than the distances given above

 km

14 Please break up the distance travelled reported in Question 12 by state and territory

Note

- If exact figures are not available, please provide careful estimates.

New South Wales  km

Victoria  km

Queensland  km

South Australia.....  km

Western Australia  km

Tasmania  km

Northern Territory  km

Australian Capital Territory  km

Information page only

Area of operation

Note

- The following information is provided to assist you in defining areas of operation of your vehicle.
- Please use this information to complete questions 15 and 16 about area of travel.**

For vehicles with **New South Wales** registration
The capital city

Including

- Sydney and the area bounded by Gosford and Wyong; Hawkesbury and Blue Mountains; Campbelltown, Wollondilly and Sutherland Local Government areas

Other cities and major towns

Including

- Newcastle, Lake Macquarie, Port Stephens, Wollongong, Kiama, Bathurst-Orange, Maitland, Albury (excluding Wodonga), Hume, Wagga Wagga, Tweed Heads (excluding Gold Coast), Queanbeyan (excluding Canberra ACT), Lismore, Coffs Harbour, Greater Taree, Tamworth, Shellharbour, Cessnock, Nelson Bay, Port Macquarie and Nowra

For vehicles with **Victorian** registration
The capital city

Including

- Melbourne, Werribee, Melton, Sunbury, Craigieburn, Whittlesea, Healesville, Warburton, Berwick, Pakenham and the whole of Mornington Peninsula

Other cities and major towns

Including

- Geelong, Ballarat, Bendigo, Wodonga (excluding Albury), Shepparton, La Trobe Valley and Mildura

For vehicles with **Queensland** registration
The capital city

Including

- Brisbane and the area bounded by Caboolture, the Eastern part of Pine Rivers, Redcliffe, Redland, Logan, Ipswich and Wolffdene

Other cities and major towns

Including

- The Sunshine Coast, Bundaberg, Hervey Bay, Rockhampton, Mackay, Townsville, Cairns, Gold Coast (excluding Tweed Heads), Toowoomba and Gladstone

For vehicles with **South Australian** registration
The capital city

Including

- Adelaide and the area bounded by the Gulf of St. Vincent, the Gawler River and the Mount Lofty Ranges from Gawler to Bridgewater through Kangarilla and Willunga to Sellicks Beach

Other cities and major towns

- Not applicable for South Australia. Report all travel outside Adelaide in 'Rest of the state/territory of registration' category of this question.

For vehicles with **Western Australian** registration
The capital city

Including

- Perth and the area bounded by Yanchep and Bullsbrook; Warnbro, Keysbrook and York

Other cities and major towns

- Mandurah and Bunbury

For vehicles with **Tasmanian** registration
The capital city

Including

- Hobart and the area bounded by New Norfolk; Sorell and Carlton Creek; Brighton and Snug

Other cities and major towns

Including

- Within the areas of Launceston, Burnie, Devonport, Penguin, Ulverstone, Wynyard and Latrobe

For vehicles with **Northern Territory** registration
The capital city

Including

- Darwin and suburbs, Palmerston and other areas north of the Howard Springs turnoff

Other cities and major towns

- Not applicable for the Northern Territory. Report all travel outside Darwin in 'Rest of the state/territory of registration' category of this question.

For vehicles with **Australian Capital Territory** registration

- All distance travelled within the Territory should be reported in the 'Capital city' category. The 'Other cities and major towns' and 'Rest of the state/territory of registration' categories in this question should be left blank.

15 On which type of journey did this vehicle travel the most distance during the period 1 July 2011 to 31 October 2011?

Note

- Please refer to Page 6 'Area of Operation' for a list of areas included in the capital city for the state/territory of registration.
- Base is where the vehicle usually operates from.

Within state/territory of registration

Tick one box

In the capital city ... ☐

Between the capital city and other parts of the state/territory of registration ... ☐

All outside the capital city in the state/territory of registration

– Within 100km of base ... ☐

– Beyond 100km of base... ☐

Between state/territory of registration and other states

Between the capital city of the state/territory of registration and another capital city ... ☐

Other interstate from the state/territory of registration

– Within 100km of base ... ☐

– Beyond 100km of base... ☐

Outside state/territory of registration

All outside the state/territory of registration ... ☐

16 Please break up the distance travelled within the state/territory of registration of this vehicle into the following areas:

(a) Within the capital city in the state/territory of registration

Note

- Please refer to Page 6 'Area of operation' for a list of the areas included in the capital city for the state/territory of registration of this vehicle.

km

(b) Within other cities and major towns in the state/territory of registration

Note

- Please refer to Page 6 'Area of operation' for a list of the areas included in other cities and major towns for the state/territory of registration of this vehicle.

km

(c) Rest of the state/territory of registration

Note

- Include travel between the major centres, as listed on Page 6, as well as in other parts of the state/territory of registration, in this section.

km

(d) Total within the state/territory of registration ...

km

Section 4 – Vehicle Use

17 Please give details for the usual drivers of this vehicle during the period 1 July 2011 to 31 October 2011

Note

- Report only for the period while you were the registered owner of this vehicle.
- Where the vehicle had more than five drivers, report for the five drivers who travelled the most distance in this vehicle.

	Sex (M or F)	Age	Percentage of distance travelled while driving this vehicle
Driver 1	<input type="text"/>	<input type="text"/>	<input type="text"/> %
Driver 2	<input type="text"/>	<input type="text"/>	<input type="text"/> %
Driver 3	<input type="text"/>	<input type="text"/>	<input type="text"/> %
Driver 4	<input type="text"/>	<input type="text"/>	<input type="text"/> %
Driver 5	<input type="text"/>	<input type="text"/>	<input type="text"/> %

18 What was the average fuel consumption of this vehicle during the period 1 July 2011 to 31 October 2011?

Note

- Please refer to log books or personal records where possible.
- If exact figures are not available, please provide careful estimates.
- Use the unit of measurement you prefer.

	<input type="text"/>	litres
and	<input type="text"/>	km
or	<input type="text"/>	miles
or	<input type="text"/> • <input type="text"/>	litres/100 km
or	<input type="text"/> • <input type="text"/>	km/litre
or	<input type="text"/> • <input type="text"/>	miles/litre
or	<input type="text"/> • <input type="text"/>	miles/gallon

19 What was the vehicle mainly used for during the period 1 July 2011 to 31 October 2011?

Examples

- Long distance carting freight/livestock etc.
- Carrying tradesperson's tools and equipment etc.
- Local delivery of parcels/furniture/gravel etc.
- Used on a farm and for trips into town etc.
- As a backup vehicle/off the road for repairs/seldom or never used
- Other uses (please explain)

20 Did this vehicle usually tow a trailer or trailers?

Note

- 'Usually' means more than half of the total distance travelled during the period 1 July 2011 to 31 October 2011 while you were the registered owner.

Yes

☒

Go to Question **22**

No

☐

21 What are the following weights for this vehicle?

Note

- Gross Vehicle Mass (GVM) is the Tare plus the maximum carrying capacity (excluding trailers).
- Tare, carrying capacity and GVM may be shown on the vehicle's registration papers, compliance plate, owner's manual, manufacturer's specifications or on the side of the vehicle.

Tare (unladen) weight of vehicle

kg

+

Carrying capacity of vehicle

kg

=

Gross Vehicle Mass

kg

Go to Question **24**

Tick one box

--	--	--

23 What are the following weights for this vehicle and the trailer or trailer combination reported in Question 22?

Note

- Where the vehicle is a prime mover, do not report the carrying capacity of vehicle.
- Vehicle and trailer weights may be shown on the vehicle's registration papers, compliance plate, owner's manual, manufacturer's specifications or on the side of the vehicle.

Tare (unladen) weight of vehicle	<input type="text"/>	kg
+		
Tare (unladen) weight of trailer(s) (including dollies)	<input type="text"/>	kg
+		
Carrying capacity of vehicle (excluding trailers)	<input type="text"/>	kg
+		
Carrying capacity of trailer(s)	<input type="text"/>	kg
=		
Gross Combination Mass	<input type="text"/>	kg

Section 5 – Work use

24 Was this vehicle used for work purposes during the period 1 July 2011 to 31 October 2011?

Note

- Report only for the period while you were the registered owner.
- Work includes business, professional, farm or government purposes.

Excluding

- Travel to and from work

Yes ☐

No ☐

Go to Question 31

25 How many weeks was this vehicle used for work purposes during the period 1 July 2011 to 31 October 2011?

Note

- Report only for the period while you were the registered owner.
- If used for every week in the period, please report 18 weeks.

Excluding

- Travel to and from work
- Use for private purposes

Weeks

26 On average, how many loaded trips were made per week during the period 1 July 2011 to 31 October 2011?

Note

- A loaded trip is defined as the travel from one destination to another when laden. For example, the start of a delivery run to the end or completion of that delivery is one trip.

Trips per week

27 What was the average load weight carried by this vehicle when laden during the period 1 July 2011 to 31 October 2011?

Note

- For courier services, services where goods are loaded and unloaded progressively, estimate the load as half the usual maximum load.

Including

- The load for the trailer(s) reported in Question 22 if applicable

kg

28 What percentage of the distance travelled for work purposes was run under the following conditions?

Empty

%

Partly or fully laden

%

Total

%

29 Was the vehicle mainly used for earning income by carrying goods or freight owned by another person or organisation?

Yes

☐

No

☐

30 Please break down into percentages (parts) the total weight of goods and freight carried into the categories below:

(a) Food and live animals

Including

- Live animals, meat and meat preparations
- Dairy products and eggs
- Cereal grains, vegetables, fruit and fodder
- Sugar, sugar preparations and honey
- Other foodstuffs

%

(b) Beverages and tobacco %

(c) Crude materials, inedible (except fuels)

Including

- Cork and wood, textiles, fibres, timber
- Fertilisers (crude)
- Metalliferous ores and metal scrap
- Stone, sand and gravel

%

(d) Mineral fuels, lubricants and related materials

Including

- Coal, coke and briquettes
- Petroleum, oil, motor spirit and other light oils
- Other petroleum oils and products
- Gases (natural and manufactured)

%

(e) Animal and vegetable oils, fats and waxes %

(f) Chemical and related products, not elsewhere specified

Including

- Organic and inorganic chemicals
- Manufactured fertilisers
- Medicinal and pharmaceutical products
- Plastics

%

(g) Manufactured goods

Including

- Paper and paper products including cardboard
- Other building materials
- Clay products (bricks, tiles, pipes etc.)
- Iron and steel, non-ferrous metals
- Packaging (plastic, glass and metal cans)

%

(h) Machinery and transport equipment

Including

- Motor vehicle parts and accessories
- Machinery and equipment
- Road vehicles and transport equipment

%

(i) Miscellaneous manufactured articles

Including

- Furniture

%

(j) Tools of trade

Including

- Tradesperson's tools
- Plant and equipment carried to a site on a daily basis

%

(k) Other commodities not elsewhere specified

Including

- Mail and postal packages
- Water, refuse (garbage)
- General and other freight

%

Total

100 %

Section 6 – Comments and time taken

31 Please provide comments

- on any information you have supplied on this form (e.g. related to unusual movements or other factors)
(Please use BLOCK letters)

- on any difficulties you had providing the requested information, or suggested improvements to this form
(Please use BLOCK letters)

32 Please provide an estimate of the time taken to complete this form

Including

- The time actually spent reading the instructions, working on the questions and obtaining the information
- The time spent by all employees in collecting and providing this information

hrs

mins

Please check that you have:

- filled in your odometer reading (if applicable) in Question 10; and
- dated the reading in Question 11.

Thank you for completing this form
