NOTE.—This Table has been compiled from returns received from the Police Magistrates, Town Clerks, Presidents, and Chairmen of Shire Councils and Road Boards, and other officials located in the various districts, in accordance with forms supplied from the Immigration Office. These forms, in addition to columns for the above information, contained a request that the wages of any other prominent callings might be furnished. This request resulted in wages of splitters of firewood being returned at

5s. per cord of 128 cubic feet, and in wages of sawyers being returned at from 6s. to 8s. per day for Gisborne, with unlimited demand for laborers at both callings; in wages of stonewallers being returned at from 10s. to 10s. 6d. per rod, and in wages of wirefencers being returned at from £10 to £16 per mile, for Hexham; in wages of tanners being returned at £2 per week, and in wages of carriers being returned at £3 10s. per week, for Strathfieldsaye: all being without rations.
