### ABOUT THIS PUBLICATION

This publication is issued each month as a supplement to the annual *Catalogue of Publications and Products* (Cat. no. 1101.0), which lists current Australian Bureau of Statistics (ABS) publications and products and gives brief descriptions (abstracts) of their contents.

A brief description of the contents of, changes to, and other information of interest about new publications and products appears at the back of this publication.

In addition, a *Release Advice* (Cat. no. 1105.0) is issued each Tuesday and Friday listing publications and products released on the day of issue and expected releases on the following four days. The information is also available daily on the ABS Internet service (<http://www.abs.gov.au>).

### PUBLICATION PRICES

Prices include postage both within Australia and overseas.

### SUBSCRIPTION SERVICE

Clients who wish to receive publications and products on a regular basis may use the ABS Subscription Service.

Clients who already use this service and who wish to change their requirements should quote their client identification number when contacting the ABS. The number is shown at the top left hand corner of the address label used to dispatch publications to clients.

When due, renewal notices are sent to all subscribers. Payments are required in advance and should accompany renewal notices returned to the ABS.

### INQUIRIES

For information about ABS statistics and services, please refer to the back of this publication.

## NEW PUBLICATIONS AND PRODUCTS

1368.4      *South Australia: A Statistical Profile, 2001* (\$36.00)

Provides a comprehensive collection of statistical information about South Australia's social and economic conditions. Topics covered include a statistical summary, population, education, labour, health, crime and courts, commerce and trade, tourism and culture, public and private finance, manufacturing, primary industries such as agriculture, livestock, fisheries and mining, housing and construction, road transport and information technology. Also included is an appendix of historical statistics.

6293.0.00.007      *Occasional Paper: Dynamics of Earned Income in Australia — An Application Using the Survey of Employment and Unemployment Patterns, 1994 to 1997* (\$21.00)

Describes the extent and pattern of movement in earnings revealed by the Summary of Employment and Unemployment Patterns (SEUP) data, including the association of earnings dynamics with labour market status and the level of earnings. The paper then goes on to develop regression models that relate changes in earnings to a number of personal and labour market related characteristics.

9303.0.55.002      *New Motor Vehicle Registration (NMVR), Australia, Motorcycles Data on SuperTABLE, December 2000* (\$30.00)

The New Motor Vehicle Registration (NMVR), Motorcycles Data on SuperTABLE Cube contains details of new motorcycles registered over the previous 36 months. Each month the first month is dropped and the latest month is added to the Cube. The details include State of registration, postcode of motorcycle owner and make (model and submodel) of motorcycle.
