NOTE.—The above figures represent values at the place of production. These are obtained by deducting all costs of marketing from the gross values. As seed costs, in addition to marketing charges, were deducted in the years prior to 1930-31, these values are not comparable with those of latter years.

* Value of all vegetables whether grown in market-gardens, orchards, or as field crops.

† Subject to revision.

* The figures prior to 1880 do not represent particulars of all the Friendly Societies in the State but only of such as furnished returns. For that year and subsequent years the returns are complete. The assets of the Dispensaries and the Specially Authorized Societies at the end of 1952-53 amounted to £431,358 and £62,461 respectively.

† Prior to 1932-33 each society without branches was recorded as a society and as a branch.

‡ Excluding inter-fund transfers since the year 1926-27. Such transfers were not excluded prior to the year 1927-28.
