## NOTES

### ABOUT THIS ISSUE

This publication has been re-issued because certain components of operating costs have been revised since the issue released on Friday 30 May 1997. In the above table, items affected are Royalties & fees paid, Total costs, Average costs per business, Royalties & fees paid per Australian book sale, Operating profit before tax and Profit margin for the Largest 20 businesses by total turnover and Total. Figures for other items are not affected.

This publication presents the results of a data collection from businesses which employed staff and were predominantly engaged in book publishing in 1995-96.
