¹ Including cotton and woollen mixed piece goods.² Prior to the end of 1867 the bulk of the gold received from other colonies was transhipped under bond, in order to avoid payment of the export duty; it therefore did not appear in the returns of Imports and Exports. Since that date the export of gold has been free, and consequently the receipts and shipments of gold have been embodied in the general returns in the same manner as those of any other commodity.³ Including galvanized ironware.⁴ Including silk manufactures.

 Note.—This Table has been compiled from returns received from the police magistrates, town clerks, presidents and chairmen of shire councils and road boards, and other officials located in the various districts, in accordance with forms supplied from the Immigration Office. These forms, in addition to columns for the above information, contained a request that the wages of any other prominent callings might be furnished. This request resulted in fish men being returned as receiving from 35s. to 40s. per week, and brickmakers 40s. per week, and mat and broom makers as earning about 30s. per week in the shire of Belairine; in wages of drivers of timber waggons being returned at 25s. to 30s. per week, with rations, for the district of Bungaree; in

wages of tanners being returned at 10s. per day, without board and lodging, for the district of Campbell's Creek; in wages of carriers being returned at £5 per week, and wages of tanners at £7 per week, without board and lodging, for the district of Rosedale; in wages of harvest laborers being returned at 5s. per day, with board and lodging, for the district of Smeaton, Springhill, and Bullarook; and in wages of male cooks being returned at £50 to £60 per annum, with board and lodging, for Swan Hill.

WILLIAM HENRY ARCHER, Registrar-General.
