INTRODUCTION

1 Statistics shown in this publication are the latest available at the time of preparation. In a number of cases, figures appearing in this summary are preliminary and are subject to revision in subsequent issues. Reference should therefore always be made to the latest issue or to the statistical publication on the specific subject when figures are not shown.

2 Current publications produced by the ABS are listed in the *Catalogue of Publications and Products* (1101.0). The ABS also issues the *Release Advice* (1105.0) on Tuesdays and Fridays which lists publications to be released in the next few days. Both the Catalogue and the *Release Advice* are available from any ABS office.
