Just to let you know that the CFO of NSW Transport (and the Interim Chief Executive of TAHE), will also be attendance for the TAHE section of the meeting (he is still to confirm his timing, but hopefully the first part).

Would be great if you provide us with the specific TAHE questions before hand, that way we can sought out detail prior to the meeting.

Thanks

Hi S47F

I had hoped to catch up with you last week, to thank you again for your time and that of a number of ABS staff in going through the large number of issues that we have going. We found it really useful. Unfortunately you were in Brisbane so the opportunity didn't come up.

It was great as well for you to meet S47F and for him to develop his understanding of how you think about classification. Since then we have had further internal discussion and briefings on TAHE, which has led to a couple of points that would be useful for us to clarify.

Would it be possible for S47F and I to organise a quick conference call with you. Would you have any time over the next couple of days. We probably only need 15 minutes, half an hour at the most. Could you let me know if that is feasible and if so when.

Many thanks
