

Have your say... and do it today!

The **Australian Marriage Law Survey** is now open, asking just one question:

**Should the law be changed to allow same-sex couples to marry?**

What do you need to do?

To express your opinion, please do the following:

- Mark one box – Yes or No – on the enclosed survey form
- Put your form (and nothing else) in the enclosed envelope (no stamp needed)
- Put that envelope in the mail... today if you can!

To make sure your response counts, please make sure you **do not** use any envelope other than the one enclosed.

What happens to your information?

Your response is confidential, by law. It cannot be connected to you. The ABS will destroy all information collected after the survey.

If you need help, please ask someone you trust, or contact us at the ABS (details below).

Thank you for participating.
