Scale of the Census

Census

Approximately **35,000 staff**
staff to run the Census

Information available in
44 languages including Auslan

Census information collected from
25 million people and **11 million** dwellings

Field staff travelled
10 million km

Our chatbot guided
375,000 conversations

60 million pages of paper
Census forms scanned

18 million visitors to the website

Mailed out **13.6 million** items

Our call centre answered **645,000** calls

1,430 tonnes of
fully recyclable paper

7 years from planning
to final data release

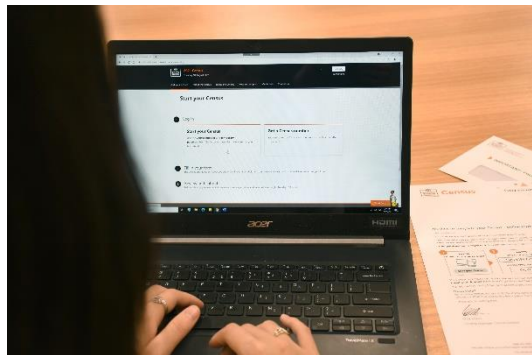

9 months to print paper forms

COVID-19 and the Census

Response rates
